Nomination Form

The nomination requires a written statement endorsing the financial need of the Nominee. In addition, provide supporting information, which can include leadership ability, commitment to community or school. Your candid assessment of the Nominee's academic promise, character and financial circumstances is essential to help the Awards Adjudication Committee to decide this year's recipients. The information you provide will remain confidential and only be used by Enrolment Services for the purposes of the Entrance Awards adjudication. This information will not be released to any parties outside of Enrolment Services.

The nomination form is a deciding factor on whether or not the student's application is successful:

- Use powerful and specific statements to indicate the student's abilities and character
- Address both the student's accomplishments and activities but focus on the student's financial circumstances

Feel comfortable saying "no"

Tell the student if you don't feel comfortable giving them a nomination. A weak nomination will not help the student.

Help with the package

Offer to read and critique the student's Description of Circumstances. Your input is valuable in helping them put together an effective application.

Complete form using the downloadable PDF form and enclose a signed single-sided copy in a sealed envelope to the Student.
Do not include this page with the form.
